

News: Rylee: Rylee Announces The Super Guitar Fretboard Addict Bundle For iPhone, iPad, and iPod Touch Devices

Posted by [Harmony Central News](#) Mar 16, 2011

Rylee, the makers of Guitar Addict Products announce that the **Super Guitar Fretboard Addict Bundle** is available for purchase in the Apple iOS App store.

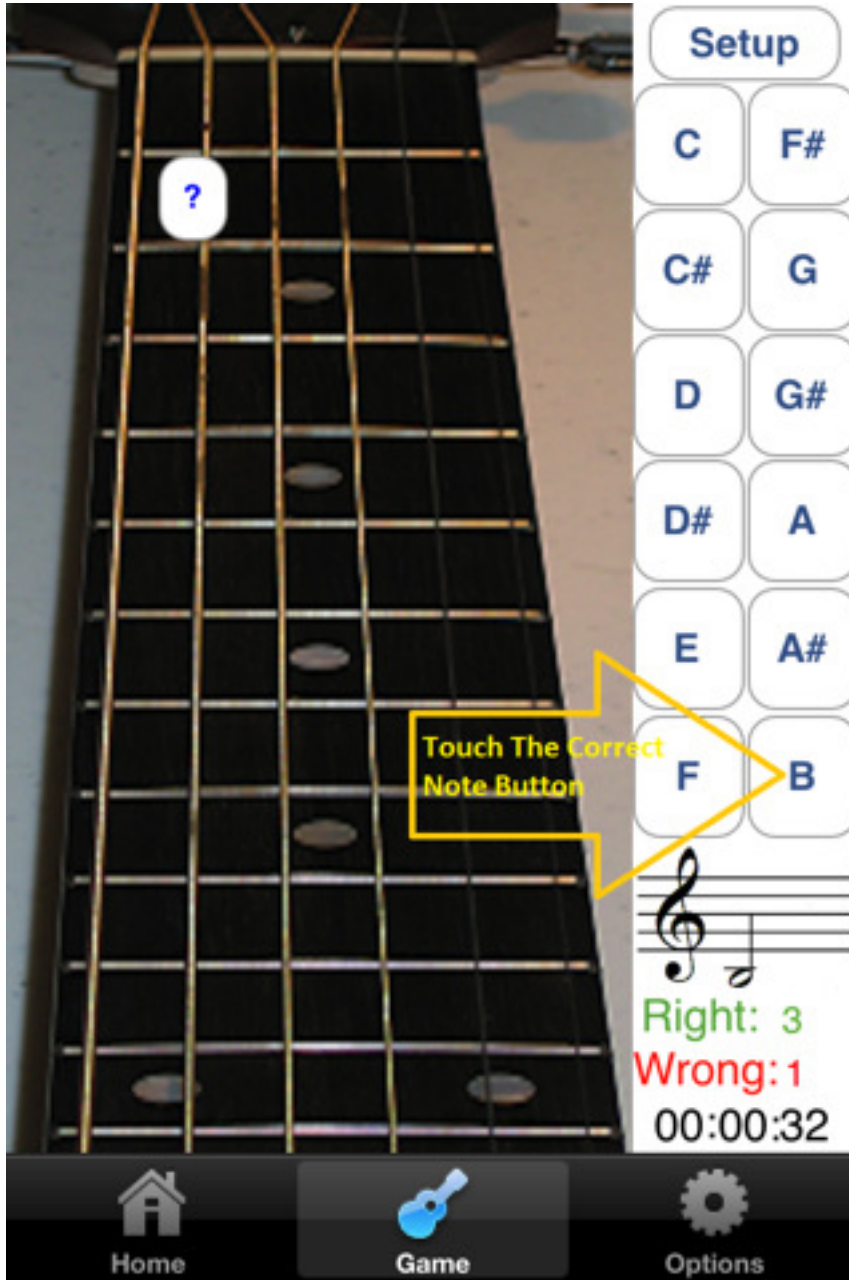

The Super Guitar Fretboard Addict Bundle Gives You A Fun Way To:

- Intelligently learn and practice the acoustic guitar, electric guitar, bass guitar, and ukulele fretboard by notes or by fret positions
- Learn and practice reading standard music notation alongside the fretboard
- Practice ear training with real instrument sounds
- Practice efficiently with configurable fretboard presets for selecting musical keys, notes, frets, and strings
- Monitor your performance with simple color coded fretboard statistics.

Price: \$14.99

For more information, visit the App Store <http://itunes.apple.com/us/app/super-guitar-fretboard-addict/id423720706?mt=8>
